

RETHINK AND REVISE LITERACY

Q and A

**One hard question
about K-2 reading**

QUESTION

What's the **hardest change for a school or district to make in K-2 reading instruction?**

ANSWER

Rethinking Assessment Tools (a.k.a. letting go of guided reading levels.)

Want a place to start?

I made a free little guide to go along with my book. It has 25 revisions, organized by topic...including assessment :)
